To whom it may concern:

I would like to certify that Roberto Bigazzi, Ph.D. Student in Information and Communication Technologies at the Department of Engineering "Enzo Ferrari" of the University of Modena and Reggio Emilia has been a visiting student researcher with Professor Marco Pavone's research group at the Autonomous Systems Lab (ASL) of Stanford University for a period of 3 months beginning June 1, 2022 and ending August 31, 2022. While he was at Stanford, he worked with researchers in Professor Pavone's laboratory designing algorithms for robot navigation in unstructured environments.

Please call the Aeronautics and Astronautics Student Services Office at (650) 723-2757 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Patrick Ferguson', is written over a horizontal line. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
